

Product change notification

Product affected: MO-A mailing accessory

Catalog number: MO-A

Description: Outbound and return shipping materials for use with DNA Genotek collection devices.

Effective date of change: Immediately

Customer action:

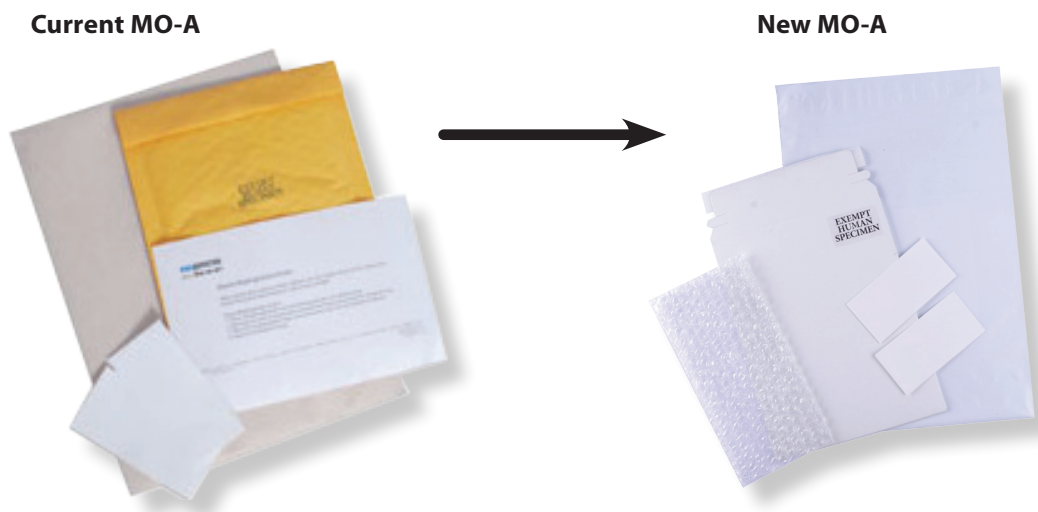

No action for customers with existing product, continue to use your supplies. For new orders, contact your Account Manager to request a sample or quote.

Reason for change:

The MO-A mailing accessory has been updated in accordance with international shipping guidelines.

Change description:

New robust shipping materials have been introduced. These include a tear-proof 'outbound' mailing envelope, a rigid cardboard 'return' mailing envelope and a bubble bag for increased protection during shipping. New pricing and minimum order quantities are in effect.

Please contact info@dnagenotek.com if you have any issues or concerns pertaining to this product change notification.
