

Product change notification

Product affected: **prepIT[®]•MAX**

Catalog number: PT-MAX

Description: prepIT[®]•MAX extraction kit for recovery of *Mycobacterium tuberculosis* DNA.
For use with DNA Genotek's OMNIgene[®]•SPUTUM product.

Effective date of change: April 2017

Customer action: Last date to place orders is July 31, 2017.

Change description:

DNA Genotek will be discontinuing the manufacture and sale of the prepIT•MAX (PT-MAX) extraction kit. This product will be available until July 2017.

Reason for change:

The product will no longer be available due to the increasing demand for third-party automated extraction solutions. Please contact your DNA Genotek Market Development Specialist for recommendations on alternative extraction solutions compatible with OMNIgene•SPUTUM.

Last time buy date: July 31, 2017

Please contact **info@dnagenotek.com** if you have any issues or concerns pertaining to this product change notification.
